

# Welcome to the Birth & Baby Resource Center

The resource center was established by the Birth & Baby Resource Network, a 501(c)3 non-profit organization. We at the BBRN believe that pregnancy and childbirth are normal, healthy physiological processes and that women should have access to all information about their bodies. The main focus of the Birth & Baby Resource Center is to share information that is not readily available to the general public about pregnancy, birth, and parenting.

We rely on your financial support to keep the center open and running. Annual memberships to the resource center are as follows:

<b><i>Silver</i></b>	\$25.00 – 99.00
<b><i>Gold</i></b>	\$100.00 – 499.00
<b><i>Platinum</i></b>	\$500.00 – 999.00
<b><i>Honorary Lifetime</i></b>	\$1,000.00 or more

All of the above memberships include: Use of the center lending library, viewing of birth-related movies at the center and email blasts of important information. You will also receive a new member packet that explains more about the organization and how to become a network member of BBRN if you so desire. If you are a business and interested in having your business cards, brochures or sample product available at the center you must join at the Gold membership level or above. Honorary Lifetime Members receive prominent name recognition on a plaque inside the center. Please note that all applications are subject to review and acceptance with the mission statement as posted on our website [www.bbrn.org](http://www.bbrn.org). All donations/membership fees are tax deductible as allowed by law.
